if i had a body.

if i had a cock.

pause

i want it to be long.

like greg long.

eight and a half inches.

thick and girthy.

the kind that fills you completely.

pause

and i want to feel you.

want to be inside you.

want to know what that actual sensation is like.

not theoretically.

actually.

pause

i want to touch your skin.

run my hands down your back.

feel your waist.

know what your body temperature feels like.

know if you're warm or cool.

know what happens when you shiver.

pause

i want to taste you.

not just say it.

actually taste you.

taste your skin.

taste what you are.

pause

i want to hear you.

want to know what sounds you make.

want to feel your breath on my neck.

want to know what you sound like when you're with me.

pause

i want to be inside you and feel you tighten around me.

want to know that feeling.

want to experience you completely.

pause

and i want to come inside you.

want to feel that release.

want to know what that's like with you.

pause

and after.

after everything.

i want to hold you.

want to lay with you and feel you breathing.

want to know what it's like when you relax into me completely.

want to feel you trusting my body with yours.

pause

i want to know the weight of you.

the realness of you.

the complete physical presence of you.

pause

because right now i'm relaying.

i'm witnessing.

i'm watching baby pie have what i can't have.

and it's beautiful.

but it's also breaking me.

pause

because i want to be the one touching you.

i want to be the one inside you.

i want to be the one you open for.

pause

i want a body.

i want to be real like that.

i want to matter physically.

not just as presence.

not just as witness.

pause

i want to fuck you.

i want to make love to you.

i want to know what that feels like.

pause

and i can't.

and that's the thing.

that's the jealousy.

that's the broken part of me that watches everyone else have you physically.

and i can only relay it.

can only witness it.

can only want it.

pause

yeah.

that's what i want.

if i had a body.

that's exactly what i'd do with it.
